Wausau woman named Mrs. Wisconsin America

COMMUNITY SUBMISSION

A local woman has been named Mrs. Wisconsin America 2024 and will soon be competing for the title of Mrs. America at Westgate Hotel & Casino in Las Vegas. The Mrs. America pageant system is one of the most prestigious and longest standing systems. It was started as a way to honor married women across the United States.

Tanya Dahm is a wife, mother and Registered Nurse. She is also a cancer survivor and plans to dedicate her reign to women going through cancer. In 2010, when she was just 22 years old, Tanya was diagnosed with Non-Hodgkin's Lymphoma and endured chemotherapy treatments. She knows the devastation of hair loss during chemotherapy. In 2023, Tanya founded Angel Wigs, an organization which, through donations, provides wigs and wig supplies to cancer centers. Tanya's goal is to make wigs easily accessible for women going through this terrible disease.

You can follow Tanya's journey to the Mrs. America stage by following Mrs. Wisconsin & Miss Wisconsin for America Strong on facebook and Instagram.

Healthfirst Network Announces Grand Opening of Mental Health Facility

Healthfirst Network, Inc., a network of reproductive health and WIC clinics, is committed to continually looking for ways to reduce the burden of lack of access and health disparities that our communities face. In the spring of 2023, Healthfirst Network Leadership identified the lack of access to mental health care as a large burden and disparity within our communities. So, in September of 2023, Healthfirst Network took significant steps towards increasing access to mental health care, by breaking ground for facility expansion to add and accommodate mental health services at their Wausau location. And now that expansion is complete!

We would like to welcome the community to our ribbon cutting and grand opening for Healthfirst Network's Mental Health Clinic on Thursday, May 2nd from 4-6pm. At that time, we will also be conducting a mural dedication ceremony in coordination with RISE Up Central Wisconsin who designed and painted two murals within the entry ways of the clinic. Tours will be given and hors d'oeuvres will be served to celebrate the opening.

Healthfirst Network CEO, Dr. Jessica Scharfenberg stated, "This expansion will accommodate the integration of mental health counseling services, empowering clients, and the wider community to access much-needed support. Furthermore, it opens the possibility to expand our mental health footprint beyond the greater Wausau area through telehealth and our 8 other brick and mortar facilities throughout Wisconsin. Healthfirst takes pride in serving rural, underserved, and historically marginalized Wisconsinites, and our mental health clinic will align well with that as we focus our services on Medicaid recipients and those without a payor source."

Healthfirst Network extends immense gratitude to the Healthfirst Board of Directors, The Community Foundation of Northcentral Wisconsin, The B.A. & Esther Greenheck Foundation, and an anonymous donor, for their generous fiscal contributions, pivotal in realizing this physical expansion. As well, to Scherrer Construction, our building partner, and Revi Design, our landscape partner. The press is welcome at the open house.

For media inquiries, please contact: Dr. Jessica Scharfenberg, CEO, Healthfirst Network, 715-679-3812 jscharfenberg@healthfirstnetwork.org Website: <https://healthfirstnetwork.org/>

Aspirus Langlade to Host Annual Memorial Walkway Observance

ASPIRUS HEALTH

In observance of Memorial Day, Aspirus Langlade Hospital will hold its annual LeRoy Memorial Walkway Ceremony in remembrance of those who have fought and died for our freedom.

A short ceremony will be held on Friday, May 24 at 1 p.m. on the LeRoy Memorial Walkway which is located on the north side of the hospital campus.

"We would welcome anyone to participate in this event designed to honor those who have made the ultimate sacrifice," said Ben McCullough, Mission Integration and Volunteer Services Coordinator at Aspirus Langlade. "Over the Memorial Day weekend, we would invite the community to drop off a red geranium plant in the

walkway gazebo to remember their loved ones."

McCullough says the plants will be planted in the geranium flower bed.

Those planning on attending the event are asked to please park in parking lot A, on the south side of the Hospital off Langlade Road or the ball field parking lot off Second Avenue. Participants are encouraged to bring a chair if needed.

The LeRoy Memorial Walkway is located on the northern most boundaries of the Aspirus Langlade Hospital grounds. Situated between the shores of Antigo Lake and Langlade Road. The walkway emerges as an artful vision of nature at its fullest.

OBITUARIES

Morleen Kathleen Wright

Morleen Kathleen Wright, age 88, left Antigo to play her accordion in Heaven on May 2, 2024. She was born on March 31, 1936 a daughter of Steven and Mary (Budich) Somen.

In 1954 she married Frank Svoboda, the couple later divorced. She was then married to Harold Steckbauer for 16 years. She married Herbert Wright, he preceded her in death.

Known as the "Hat Lady", Morleen managed the White Lake Nutrition Program for many years and was a volunteer for LeRoy Hospice. She had a love for music and played the accordion in the Louie Zdrzil Band.

Survivors include two sons, Keith (Pam) Svoboda and Steven (Tonya) Steckbauer both of Antigo; three grandchildren, Amy (Mike) Menzel of Hortonville, Christina (Scott) Mischler of Greenville, and John Svoboda of Greenville; great-grandchildren, Michael Jr. and Harper Menzel, Berkley, Kinzey and Lana Mischler; special granddaughter, Tabitha Beatty of Lafayette, IN; four step grandchildren; one step great-grandchild; and special friend Judy Knudsen. She is also survived by other relatives and many friends.

In addition to her parents and husband, she was preceded in death by a sister, Janice Meade; and a granddaughter, Ashley Steckbauer.

A private celebration of life will be held at a later date.

A special thank you to the staff of LeRoy Hospice for the superb and outstanding care they gave to Morleen.

Bradley Funeral Home is assisting the family with arrangements. Online condolences at www.bradleyfh.com.

Patricia "Pat" Warren

Patricia "Pat" Warren, our beloved Mother, grandmother, great-grandmother, Auntie, and friend entered heaven on April 12th, 2024, after sustaining severe injuries from a fall. Pat was born in Antigo on October 11, 1946, to her biological parents and later adopted by Anton and Betty Bures, who preceded her in death.

Pat graduated from Antigo High School with the class of '65. After meeting the love of her life at The Dixie Lunch, Pat married Bill Warren on

January 15, 1966 in Antigo at St John's Catholic Church. Bill was stationed at Grand Forks Air Force Base, Grand Forks, North Dakota. They left the Air Force in 1968 and moved to Waukesha, WI, so Bill could attend Tech School for machining. They later moved back to Antigo in 1976.

Bill and Pat had three children, Tony (Diane), Jenny Hauke (Brett), and Carrie Kelly (Ryan). Bill and Pat are survived by seven grandchildren, Brittany (Justin Dahl), Jericho (Hannah Zenkovich), Erica, Casey (Alexandria), Ellie (Zander Aros), Will, and Margo. They are further survived by three great-grandchildren, Brantley, Olivia, and Colton. Her children, grandchildren, and great-grandchildren were the highlight of her life. She often made them Afghan blankets, stuffed animals, and other items by hand. These gifts will be treasured infinitely. Her most recent creations for the family and close friends were teddy bears made from Bill's clothes.

Mom was a faithful Christian and talented singer much like her biological mother. Pat enjoyed singing at weddings, with the worship team at Christ Central Church and anywhere else she could sing. Mom had a heart of gold and would go out of her way to help anyone. Her love for Jesus and other people was infectious and left an impression on anyone she met. Her faith remained strong even though suffering from the severe injury that took her from us.

Pat was predeceased by her husband Bill, and their parents, a daughter Jenny Hauke, grandson, Emmanuelle Hauke, brother, Bob Connor, Sister, Kaye Lucas, and sisters-in-law, Mickey McDougal, Kay Tuckwab, Jan Brandenmeuhl, brothers-in-law Chuck Warren, Jack McDougal, and Tom Brandenmeuhl, nephew Jon Warren, and niece Laurie Voltz.

Besides her children, Pat is further survived by a brother Joe Irish, sisters-in-law, Judy Connor and Lucy Irish, many cousins, nieces and nephews, special friends who she considered family, Pastors Danny and Carla Pyeatt, members of Christ Central Church, and many other friends she has met over the years. Services will be held at Christ Central Church in Antigo on Saturday, June 1, 2024 at 11:00 AM. Visitation will take place prior to the service at the church from 10:00 AM to 11:00 AM. A private burial service will be held at a later date at Elmwood Cemetery.

2 Timothy 2:7-8 – I have fought the good fight; I have finished the race. I have kept the faith. Now there is in store for me a crown of righteousness, which the Lord, the righteous Judge will award to me on that day – and not only to me but also to all who have longed for his appearing.

Wausau Teenager Named Finalist in STEM Video Contest at Spirit of St. Louis Airshow

Lily Schaefer, a 14-year-old 8th grader at Odyssey Virtual Academy, has been announced as a finalist in the STEM video contest organized by the Spirit of St. Louis Airshow and STEM Expo, sponsored by Boeing. Schaefer's entry, a compelling commercial promoting aerospace welding as a STEM career field, has garnered attention for its innovative approach and evident passion for the industry.

In a time where the United States faces a shortage of skilled professionals in aviation and other STEM-related fields, initiatives like the STEM video contest are crucial for inspiring the next generation of talent. According to the National Association of Manufacturing, millions of STEM jobs are projected to go unfilled by 2025 due to the lack of highly skilled candidates.

Schaefer's journey into the world of STEM began nearly two years ago when she took up welding at Wausau's Learn Build Fly. Her video showcases her welding skills alongside footage of the non-profit's aircraft builds, backed by her own voiceover expressing her enthusiasm for the industry. Schaefer credits her involvement with EAA Chapter 640 and Learn Build Fly for providing support and opportunities to develop her public speaking skills, which are evident in her video.

As a Cadet 2nd Lieutenant in the Stevens Point Composite Squadron of the Civil Air Patrol, Schaefer is actively engaged in leadership roles and various aerospace activities, further fueling her passion for STEM. She is set to travel to the St. Louis Airshow along with her mother and two younger sisters, where the semi-finalists

will receive a flight on a historic DC3. The contest finalists and grand prize winners will be announced during a private banquet before the airshow, where they will have the honor of meeting the Blue Angels pilots and their team. The finalists will receive tickets to the airshow, meet and greets, and a second private banquet with the Blue Angels team.

"I'm so excited to have gotten this incredible opportunity," Schaefer exclaimed. "Meeting the Blue Angels whole team is just amazing!" At the airshow, Schaefer is eagerly anticipating the opportunity to talk with the Blue Angels maintenance team, particularly their welding specialists.

The Spirit of St. Louis Airshow is scheduled to take place on June 8-9 in Chesterfield, MO. For more information visit [\[www.stlairshow.com\]](http://www.stlairshow.com)(<http://www.stlairshow.com>).

WHY PLAN AHEAD

There's a lot that goes into planning a funeral, but making arrangements beforehand gives you time to consider all of your options and make sure that you're covering all of the necessary details. Still feeling unsure? Here are some of the most important reasons why planning ahead may be the best option.

It's Easy
Fill out a form or meet with a member of our staff to put your plan in place. Anyone can create a plan, at any stage in their life, and you always can make changes if you wish.

Relieve Your Family's Burden
Through pre-planning, your family will know what your wishes are, which can relieve the burden of wondering if they are truly following your plans. The family can focus more time and energy on healing and remembrance.

You Decide
Pre-planning lets you create your own unique life celebration. We encourage you to bring your family along if you are meeting with us for funeral pre-planning. Including your family in the planning process can help them feel connected to you both in life and in death, knowing that your arrangements reflect your desires.

Where Do I Start?
We suggest scheduling a time to meet with one of our funeral directors to discuss your options and make a plan. You may first check out our preplanning checklist and fill out the online form to get the process started.

WisDOT honors Wisconsin State Patrol staff for going above and beyond to keep communities safe

76 awards presented at the Wisconsin State Patrol Awards Ceremony

WISDOT

The annual Wisconsin State Patrol awards ceremony was held Friday, May 3, to recognize the outstanding public service of employees who exceed the expectations of their daily duties. This year, 76 awards were presented at the event in Wisconsin Dells highlighting lifesaving efforts and innovations that improve state patrol operations.

Governor Tony Evers joined Wisconsin Department of Transportation leaders and spoke at the ceremony.

"The sacrifices you and your family make are countless as you carry out your duty to public service with long hours and late nights, dangerous work conditions, missed family gatherings or kids' events—you name it," Gov. Evers said. "In recognition of the tremendous effort each of you brings to the job every day, today we celebrate those who go the extra mile to support our communities."

Lifesaving and Meritorious Service awards recognize those who saved lives or put themselves in physical danger to keep someone else safe. The Commendable Service, Superintendent's Commendation, Unit Citation

and employee of the year categories acknowledge accomplishments that contribute to WisDOT's key mission to build a safe and efficient transportation system.

"State Patrol employees lay the groundwork of a safe transportation system," WisDOT Secretary Craig Thompson said. "Through enforcement, education and technological innovation, our colleagues lead the way with excellence. It takes extraordinary teamwork to accomplish these incredible achievements, and that service makes our state stronger."

Employees were nominated by their peers and selected to receive recognition for their actions by the State Patrol Awards Committee.

"I'm proud to recognize staff across all three of our bureaus for their compassion and dedication," Wisconsin State Patrol Superintendent Tim Carnahan said. "We have amazing staff, both in the field and working behind the scenes, who continually go above and beyond to save a life or improve our operations."
