

## PLANT-BASED PRODUCTS

For the past 20 years, Nutrativa™ Global has created high quality protein powders and the purest of oils. Utilizing the skins and seeds, our powders and oils are all cold-pressed and cold-filtered, retaining their inherent nutrients and rich natural flavors. All of our products are excipient, chemical, synthetic, solvent and carrier-FREE. All of our protein powders and oils are 100% PURE, and the powders range from a 10 mesh to a 325 mesh in particle size.

From our BRC globally certified manufacturing facility, Nutrativa™ Global has become a premier supplier to the health, wellness, nutrition and nutraceutical industries. In addition to our patented Cranberry Protein Powder, Crantiva™ "Whole Cranberry Powder," Cranberry Fiber, Nutrativa also produces Aronia Powder, Grape Powder, Blueberry Powder, Hemp Protein Powder, Pumpkin Protein Powder and Pumpkin Seed Oil.
