

# Captioned Telephones that fit your lifestyle.

**TOUCH SCREEN  
PHONES**  
CapTel 2400i

**TRADITIONAL  
PHONES**  
CapTel 840i/840

**LARGE VISUAL  
DISPLAY**  
CapTel 880i

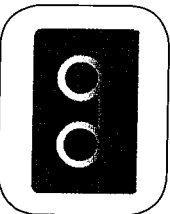

## How Does CapTel Work?

CapTel phones work with a federally-funded Captioning Service that quickly transcribes everything your caller says into captions to read during your call. There is no cost to the user for the service. Requires Internet access and telephone service. No Internet? No problem! CapTel has a non-internet model. Contact your local Outreach Educator for details and availability.
