- Advanced Age
- Memory Impairment
- End of life care
- Short or Long-term care
- Respite Care

## COMFORT, SECURITY, AND CONVENIENCE

### About Our Community

16-bed, co-ed community with a variety of floor plans available to suit any of your needs, ranging from a large private suite to semi-private with a shared bathroom. All rooms come with a bed and built in dresser area. Some floorplans allow for a bathroom, while others utilize one of the two shared bathrooms within the community.

The community is alarmed 24 hours a day and is locked after 8:00pm to ensure resident safety.

Residents can enjoy the freedom of utilizing one of the many open and spacious areas for visitors or leisure-time activities.

## PROFESSIONAL ON-SITE TEAM MEMBERS

### About Our Team

On-site, awake team 24 hours a day to provide your loved one with the peace of mind knowing there is always someone there to assist them if needed.

All team members are State of Wisconsin certified in Standard Precautions, Fire Safety, First Aid & Choking and Medication Management.

Team members receive ongoing continuing education on a yearly basis to maintain their certifications with the State of Wisconsin, and to keep up-to-date on changing regulations.

Our Director of Operations has over 20 years of experience working in healthcare, in various roles.
